

Åhus - 5th July 2021

Workshop Manager

Founded in 1924, Kristianstads Golfklubb is one of Swedens finest resorts boasting 2 fantastic golf courses. The newly redesigned West Course and the East Course which is ranked top 3 in Sweden.

The resort based in Åhus on the southeast coast of Sweden, also comprises of a new Driving Range, Training Academy, three indoor Padel Courts, Resort Lodges/Hotel, Club House (planned for total renovation), and a two-year-old state of the art Greenkeeper Maintenance Facility.

We are currently welcoming applications for the position of **Workshop Manager**. This is an ideal opportunity for an individual that is both self-driven with high standards and professional - to join a large team helping to maintain the whole resort.

This integral part of the Clubs Management structure, the Workshop Managers role comprises of the following-

- Maintenance of all onsite machinery and workshops
- Service and record keeping
- Adhering to all Health and Safety legislation
- Responsible for Workshop annual budget.

An extremely generous package goes with this important position as well as other attractive benefits. Accommodation can also be sourced if needed.

If you have these competencies and are looking to work for a forward thinking, standards driven company, then please send you application together with a current CV to-
