## Who are we?

Hørsholm Golf is Denmark's third largest golf course, located in Northern Zealand, 20 minute drive from Copenhagen. Hørsholm Golf is a 27-hole golf course, spread over 100 hectares of land. We prioritise sustainable maintenance methods and are GEO certified as well as bee friendly. We have obtained several Environmental awards for our maintenance policy.

You will be part of a team of 11 greenkeepers who maintain the course during the golf season. If you would like to work at a privately owned golf course that focuses on sustainability and environmentally friendly solutions or are interested in hearing more about the position, then please contact:
